SUMMARY

A motivated recent graduate looking to apply my technical skills and academic knowledge in a professional environment. Driven by a passion for continuous learning and development, I am eager to contribute to an organization's growth while gaining valuable hands-on experience.

PROJECTS

Interactive Landing Page | [LINK](#)

Sep 2024

- Built an Engaging and Interactive Landing Page using Next.js, Tailwind CSS, Framer Motion, and Shadcn components to showcase dynamic animations and smooth transitions, enhancing user engagement and interactivity.
- Adopted a mobile-first design strategy to ensure a seamless and responsive user experience across all devices and screen sizes.
- The project resulted in a visually stunning and user-friendly landing page, effectively showcasing products, projects, and services.

Full-Stack Crud Application | [LINK](#)

Mar 2024

- Developed a full-stack CRUD application using Express.js, MongoDB, React, and Node.js, creating a robust, user-friendly web interface for data management.
- Designed and implemented RESTful APIs using Express.js and Node.js to handle CRUD operations for interacting with the MongoDB database.
- Established data modeling and schema design to ensure efficient data storage and retrieval.
